FLOOR LAMP

This product is the result of extensive research and collaboration with the RNIB and other low vision specialists. The Flexi-vision Floor lamp regroups all the best features to make it the ultimate reading lamp. The 20W daylight energy saving bulb reduces glare and improves contrast allowing you to read and write for longer in optimal comfort. With the new multi-swivel system and flexible arm, you can direct the light exactly where you need it and use this lamp on a sofa or at a table. The Flexi-vision Floor lamp is also one of the safest lamps on the market with clear on/off switch location, anti-trip cable holders and low heat shade.
